EASTTEXASCANOPY.COM

Since 1985

East Texas Canopy has been manufacturing and installing protective covers and canopies since 1985. From large scale commercial projects to small entry canopies we strive to provide the highest quality canopies no matter the application. We are a full service manufacturer that offers engineering and design consulting as well as a single source supplier. Using only the highest quality materials, East Texas Canopy provides protective covers for all your canopy needs including walkway covers, drop off canopies, entry canopies and carport structures.

FOR SITE SPECIFIC ENGINEERING BASED ON SITE SPECIFIC CONDITIONS, PLEASE CONTACT OUR OFFICE OR VISIT US ONLINE AT **EASTTEXASCANOPY.COM**.

Flush Deck Walkway Systems

Our roll formed FD canopy systems offer a budget friendly way to look good and provide the protection you need. Our flush panels provide a clean look with no exposed fasteners. With integral gutters and downspouts they provide a sleek and effective way to make your building look great.
